

Nate Gorenstein

Nate Gorenstein is a high school senior living on Long Island, New York. He is a huge sports fan, and when he's not analyzing a sports game, he's playing in one! In addition to playing hockey and lacrosse, he also enjoys surfing, skating, and skiing.

Nate, a flu survivor, joined the Junior Board to advocate how serious the flu can be and how important it is to receive an annual flu vaccine to protect your family, friends, and community. He doesn't want others to have the same experience he and his family had.
