

2013 Sponsors

Families Fighting Flu is a 501(c)(3) non-profit organization that operates solely on donations from individuals and organizations who support our mission and share our goals.

Our policies and activities are determined by the member families and medical experts who make up our Board of Directors.

**We do not advocate on behalf of any flu manufacturers
or endorse any specific flu vaccine.**

*We deeply appreciate the support of our sponsors.
Thank you!*
