We need your help!

Are you ready to be a flu detective like Detective Dan?

Can you find all the ways to help keep you healthy during flu season? Circle the answers below.

- Getting a flu vaccine every year
- Covering your mouth with a tissue when you cough
- Eating healthy food
- Staying up late
- Getting enough sleep
- Riding your bike
- Sharing your food and drink with friends
- Playing on the playground
- Covering your nose with a tissue when you sneeze
- Going over to your friend’s house, even though you feel sick
- Washing your hands with warm, soapy water or using hand sanitizer
- Using someone else’s sleeve to cover your nose and mouth

Great Job, Flu Detective!

Help your friends and family avoid getting sick by teaching them these important healthy habits!
